

IF YOU LIKE OBAMA-CARE JUST WAIT TIL YOU SEE...

UNACOCARE

How does this sound?

- + No tax paying hospitals. Your employer is gone.
- + The government decides:
 - How much “providers” are paid (including doctors)
 - Where hospitals are built (“rationalizing”)
 - Which hospitals get “investment” and which don’t
 - What treatment is covered – one plan for everyone
- + Who is covered? People from other states and other countries...
- + Who pays for that? You do. UNAC-Care features a tax on employers AND employees to pay for Government run healthcare
- + If the government is setting doctors’ pay... what about yours?
- + Who is pushing this awful scheme to ruin our healthcare system?

That’s right... UNAC!

UNAC Priority Legislation: SB 810

UNAC SUPPORTS

Single-Payer Healthcare Coverage

(Mark Leno - D)

Establishes the California Healthcare System (CHS), making all California residents eligible for certain health care benefits.

STOP THE MADNESS... KEEP UNAC FROM GETTING YOUR DUES TO SEND TO SACRAMENTO AND CREATE GOVERNMENT RUN HEALTHCARE, DESTROY OUR HOSPITAL, AND OUR ENTIRE HEALTHCARE SYSTEM!
