PLEASE see me if you are interested in wearing a picket sign before or after work, at one of the entrances to the plant or simply having your picture taken wearing the sign. Signs are being made as we speak and should be here within the next few days. Back of the sign will read "VOTE NO" with the UE logo crossed out. Front of the sign will read "VOTE NO" and then "Don't ruin my job because you don't like yours" below. I will be in contact with HR to get clarification on the guidelines for what is and is not acceptable, where picketing is concerned.
