

AFSCME DECLARES: "WE DON'T CARE HOW MUCH IT COSTS YOU... WE WON'T GO AWAY!"

"There are no second acts in American Lives" – F. Scott Fitzgerald

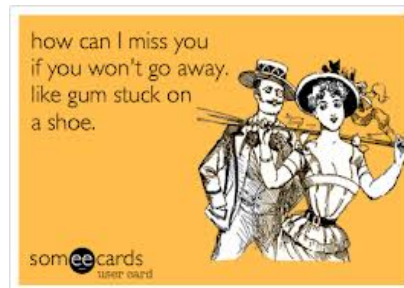

With its latest efforts(s) **AFSCME** joins the proud ranks of those who may *not* have figured that out!

- AFSCME forgets that it only gets to stay as long as you want them...
- And only about 20% of the bargaining unit said they wanted them in a secret ballot vote in November...
- And only 2 people out of 500+ saw enough value to keep paying them dues...

Now, they announce **no matter what you say**, they will do whatever it takes to get back in and restore the deal they negotiated (*less for you, more for them*).

Too late. It's not up to AFSCME, it's up to *you*, and you voted.
