

Union EXPOSED

IF THE UNION HAD ENOUGH SUPPORT, THEY WOULD HAVE ALREADY ASKED FOR AN ELECTION

Don't submit to the bullying. Don't be intimidated by home visits. Don't sign a card if you don't want to.

Ask union organizers some questions if they visit you at home:

1. **How did you get my address? *If they tell you they got it from Orlando Health, it is probably a lie (unless it was stolen).***
2. **Is it your job to go to team members' houses and bother them?**
3. **Can I come to your house when you're not working and bother you?**
4. **Can I have your address?**
5. **What is the name of the president of your union?**
6. **What is his (or her) address, so I can bother him at home?**
7. **How much are you being paid to go door to door and bother people in their homes?**
