Hey all...I took a time out because I had to get my family situated as you all know family comes first but....you are my family as well and its time to get this union voted in...DAYSHIFT its time you support this. .I know your pay didnt get cut by ten thousand dollars a year but do you think they won't eventually take from you? Look at what they are doing....hiring all these new nurses...giving us a 250 dollar bonus...now merit raises...realllllllyy?.....yet they claimed they were broke??? They are offering for MONTHS now all these contracts for nightshift to work overtime. Where are they getting this money if they are so broke? THEY ARE LIARS! THEY ARE THIEVES. THEY ARE STEALING FROM NIGHT SHIFT TO MAKE A PROFIT AND RISKING PATIENT CARE AS A RESULT. DAYSHIFT....its not about money at this point...its about patient safety..our licenses!!!! WE ARE A TEAM...we need to support one another and get our union voted in. LOOK WHAT THEY DID TO ME!!!!THEY SUSPENDED ME FOR A WEEK BECAUSE ANOTHER NURSE SAID I WAS SMOKING MY E CIG OVER A BABYS BED...SERIOUSLY????? THEY FIRED A NURSE BECAUSE THE RADIOLOGY TECH SAID SHE SHOOK A BABY EVEN THOUGH THE PATIENT CARE TECH SAID SHE DIDNT. THEY ARE GIVING CERTAIN NURSES POSITIONS BECAUSE OF FAVORTISM AND NOT BECAUSE OF THEIR ABILITIES. THEY ARE MAKING NURSES WORK WITH 101 FEVERS KNOWING ITS A DANGER TO TO THE BABIES. ...REALLY? IF WE HAD A UNION THIS SHITTTT WOULDNT BE HAPPENING. SO GET YOUR PEN OUT..SIGN A CARD..AND VOTE YES! STOP BEING SO AFRAID OF MANAGEMENT...THEY ARE SHEEP. .WE ARE THE DAMN LIONS AND WE EAT SHEEP!!!!
