

**Are you ready to pay as much as \$1,500.00 a year in UNION DUES???**

**What will you get for your money?**

**What is guaranteed? NOTHING!**

With a union, you can be certain of only one thing: **YOU WILL PAY DUES.**

**BE AWARE OF UNION FALSE PROMISES, especially regarding PAY, STAFFING RATIOS, and the famous "Just sign this for more information."**

Signing a card or petition may mean you'll be paying union dues later.

**THINK. \$1,500.00 A YEAR!**

**You can say NO, and save your money.**

**REMEMBER!** Always read the fine print whenever you are asked to sign something.
