SEIU forgot:
Guaranteed dues from your paycheck or you get fired.

We get the same healthcare as union RNs

RNs can be laid off. Ask to see the management rights in their contract. Unions protect the lazy.

Sorry SEIU. We got raises and didn't have to go on strike or pay dues to get it.

DON'T BE FOOLED BY SEIU'S LAST DITCH EFFORTS TO SCARE US INTO VOTING FOR THE UNION.

IF THE UNION WAS SO GREAT, WHY WOULD THEY VISIT OUR HOMES OVER AND OVER AND HARASS US AT WORK?

BE STRONG AND VOTE NO ON THURSDAY AND FRIDAY
