

PASNAP is the one trying to organize Einstein RNs

Not!!

NICU MEETING

Nurses at Einstein are organizing to form a union. A vote is likely to be held within the next 10 days. Nurses in other units are talking about fixing short staffing, but this is less of an issue in NICU. So what does forming a union mean for us & why is management fighting this so hard? Will there be changes to our scheduling? Will the relationship with our supervisor change? Will we get the same wages as Temple nurses? What kinds of improvements can be made? Before you vote, it is important to get all of the information.

Meet Patty Eakin

President of Pasnap and working RN at Temple

(4010 Robbins St.)

Upper management and anti-union consultants have been making their rounds to every unit, trying to convince you to vote against your own self interest. It is worthwhile to have all of the information so you can make the best decision for your patients, yourself and your families. No pressure to do anything! Just get your questions answered.

Can't make it but want to meet another time or have a question answered? Call Nate- 917-796-1567

Put your \$\$\$ where your money is!!

Really another new organizer.
