

# UNION EXPOSED

**IF THE UNION HAS ENOUGH SUPPORT, THEY WOULD  
HAVE ALREADY ASKED FOR AN ELECTION**

**Don't be bullied. Don't be intimidated by home visits and phone calls.  
Don't sign a card if you don't want to.**

**Ask the union if they visit you at home or call your phone**

1. How did you get my address? *If they tell you they got it from DaVita, they are LYING! (unless it was stolen)*
2. How did you get my cell phone number? *If they tell you they got it from the licensing registry, that's another LIE!*
3. Can I have your home address?
4. How much are you being paid (from union dues) to bother people in their homes?
5. Why would you lie to our family members to get in our house?

***THESE LYING ORGANIZERS HAVE EVEN TOLD OUR CHILDREN THEY "KNOW MOM OR DAD FROM WORK" AND CONVINCED OUR KIDS TO LET THEM IN THE HOUSE TO WAIT FOR US TO COME HOME!!***

**Protect your rights and our Village from these predatory tactics. You can call the police if they show up at your house.**

**Be a Gladiator, not a sheep!**
